JAY® ClimateZone Features

Medium skin protection cushion combined of foam and air suspended fibres that promote airflow and moisture reduction. Ideal in combination with Coolover cover to regulate skin temperature. Shaped seat well to reduce pressure under IT's and coccyx and promote weight distribution.

Coolover and microclimatic outer cover as standard.

Stretchable and breathable interliner gives protection to the base (splash proof).

Bariatric sizes and high weight limits.

Available in 80 mm (3") and 50 mm (2") base height. Flat and contour version available.

2 year guarantee, covers 6 months.
